Seminar & Negotiator Challenge

Hosted by the Hillsborough County Sheriff's Office
Crisis Negotiations Team and the Bay Area Negotiator Group

2022
NEGOTIATOR CHALLENGE

The 2022 Bay Area Negotiator Seminar and Challenge will be hosted by the Hillsborough County Sheriff's Office Crisis Negotiations Team, in conjunction with the Bay Area Negotiator Group, at Idlewild Baptist Church. This is a unique opportunity for Crisis Negotiation Teams from throughout the nation to experience both a seminar and a hands on application of crisis negotiationskills.

On day 1, participants will attend a series of presentations relative to contemporary issues in crisis negotiations. On Day 2, negotiation teams will participate in a scenario-driven competition. On Day 3, participants will attend a half-day of presentations/debriefs.

Other negotiators and agency leadership are encouraged to attend the seminar and the challenge for training and observation purposes. Individuals may register to be placed on an ad-hoc, multi-agency team. Judging criteria will be provided to each of the teams prior to the event. Early registration is encouraged.

Teams participating in the competition must provide at least one judge to a judging pool. Judges must have attended at least a 40-hour basic course and have at least 2 years of negotiation experience. Trophies will be awarded to 1st, 2nd, and 3rd place teams. All participants will receive a certificate of participation. Although we are capping the competition entry to 10 teams, individuals are encouraged to sign up, and come to the seminar and the competition as an observer.

Teams will be granted one free individual seminar registration if they provide a role player for the competition day. Also, those not competing may attend as a role player or assist in facilitating the competition
